ADVENTURELAND by Greg Mottola

JAMES: What can I get?! I'm not even qualified for manual labor. (*reading down column*) carpenter... dishwasher... mechanic... septic waste removal – they won't even hire me. The only place I know I can get a job is where Frigo's working.

I'm 'O' for twenty-two. I majored in comparative literature and Renaissance studies. Unless someone needs help restoring a fresco, I'm screwed!
