ADVENTURELAND by Greg Mottola

PETE O'MALLEY: Hey, Lisa. We're partners today. So, it's official. My friend Boomer's hooking me up a job at the Mercedes dealership on Jericho Turnpike. I'm totally psyched. I get a car right away. Way under list price, payments deducted from my check. I'm gonna go for a 560, convertible, in gold, with leather interior, all the options. I'm even gonna get a compact disc player. Gonna be insane.

So, hey, Lise – you wanna go see Judas Priest at Nassau Coliseum? My friend Fitzzy can get me floor seats.
