

MONSTER by Patty Jenkins

AILEEN: God damn it calm down Selby! You wanna know why, huh? (*loud whisper*) --- Cause I fucking killed someone. I killed someone. The night I stood you up. I got raped, beat to fuck and was gonna get killed but I didn't wanna lose you and all I could think about was how you'd never know I meant to be there and you'd think I stood you up for the rest of your life and I couldn't stand to die knowing you coulda loved me... so I fucking killed him. Shot him dead. Alright? Now you know me! So fucking run like the wind... It had to be done.
