

## THE PARENT TRAP by David Swift, Nancy Meyers & Charles Shyer

ANNIE: Will you stop thinking about your stomach at a time like this! Don't you realize what's happening?!? Don't you find it peculiar that we both look so much alike and have the same birthday and... (putting it all together) Oh man, this is beyond coincidence, this is beyond imagination! I only have a mother, you only have a father... You've never seen your Mom, I've never seen my Dad. You have one old picture of your Mom, I have one old picture of my Dad but at least yours is probably a whole picture. This is so freaky.
