## THE SHAPE OF WATER by Guillermo Del Toro & Vanessa Taylor

**ZELDA:** Made Brewster pigs in a blanket tonight before leavin'. Fresh dough- the good sausages- thick- and Boy, he just ate 'em up. No thank-yous- no yum-yums- not a peep, tho- Man is silent as the grave. But if farts were flattery, honey- he would be Shakespeare- Then I get home and I make him breakfast. Bacon and eggs and buttered toast. I butter the man's toast, Elisa. Both sides- As if he were a child... And I don't get a "Thank You."

Will you look at this? Look - Some of the best minds in our country - peeing all over the floor in this here facility. There's pee freckles on the ceiling!! How do they get it up there? Just how big a target do they need, you figure? They get enough practice that's for sure. My Brewster, no one ever called him a great mind, even he hits the can seventy percent of the time.
